

EMANUELE RAGUSI

Biomedical & Management Engineer

✉ emanueleragusi@proton.me 📍 Turin, Italy ☎ +39 331 749 5100

🌐 emanueleragusi.github.io

PROFILE

Management engineering student at Polytechnic University of Turin, with a background in biomedical engineering and international academic experience in Germany. Combining analytical skills with a cross-functional perspective across finance, supply chain and project management. Seeking an international internship to apply these competencies in a fast-paced, international environment.

PROJECTS

Strategy | Polytechnic University of Turin

📅 04/2026 – 06/2026

- Acted as a CFO in a competitive business simulation involving 4 companies across 4 product segments.
- Developed and executed the financial strategy, ensured numerical consistency with the overall corporate strategy, and contributed to key investment and pricing decisions.

Economics Project

📅 01/2025 – 2025

- Conducted a comprehensive financial analysis of a pharmaceutical major, dissecting Balance Sheet and Cash Flow statements.
- Computed and interpreted key profitability ratios.

Information Systems Optimization | SAP Signavio

📅 01/2025 – 2025

- Designed BPMN and UML models to optimize municipal processes for the City of Turin.
- Performed cost estimation analysis, reducing theoretical process inefficiencies.

Reply Challenge | Coding Competition

📅 01/2022

- Collaborated under time pressure to solve optimization problems, enhancing problem-solving and teamwork capabilities.

EXPERIENCE

Museum Guide

[Sant'Elia's Museum](#)

📅 2021 – 2021 📍 Palermo

- Public speaking
- Time Management
- Flexibility
- Client Focus
- Multilingual Competence
- Demonstrated adaptability and problem-solving by managing crowd logistics and unexpected scheduling changes
